

HELO CASE STUDY - OLD THORNS GOLF & COUNTRY CLUB

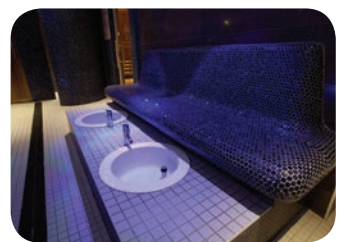

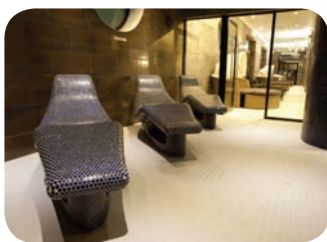

CLIENT: Old Thorns Golf & Country Estate
SITE: Old Thorns

Helo UK Ltd recently completed the installation of a wellness suite at Old Thorns Golf & Country Estate in Liphook, Hampshire.

The installation comprised an attractive Herb sauna with a large feature window, heated by two Rocher designer sauna heaters loaded with 240 kilos of stones for excellent infusion. The other attractions include an Aroma steam room, ice fountain, heated loungers, heated bench and footspa combination.

A

PROJECT: OLD THORNS GOLF & COUNTRY CLUB

B

C

D

A: Loungers

The four mosaic tiled loungers are warmed for comfort from a thermostatically controlled electrical heating system. The ergonomic shape provides a comfortable position for bathers to relax on after their heat treatment.

B: Steam

The steam room is tiled in a small 20 x 20 glass mosaic which wraps around the curved profile benches. Grouting is an epoxy for long life and ease of cleaning.

C: Ice feature

Concealed in the ceiling void behind the decorative ice bowl is an ice machine capable of producing 10 kilos of ice per hour. The ice is used for cooling down after a heat treatment.

D: Sauna

Spacious sauna with plentiful benches. The designer heaters are attractive and extremely functional providing radiant heat with essence and infusion for a perfect sauna experience.
